June 2017

Dear Parents and Guardians

### Lower School Uniform – Fourth and Fifth Forms

From September 2017, a new Lower School Uniform is being introduced. Although this does not immediately affect the Fourth and Fifth Forms the new uniform will be the only option for the new third form pupils coming in.

For the Fourth and Fifth Forms there is a limited supply of stock of the existing uniform and this can still be purchased until it runs out, although pupils are welcome to move across to the new uniform sooner if you wish.

If pupils want to change their jackets or shirts to the new uniform, this must be completed for both jacket and shirt, to keep the look of the new uniform, but trousers and skirts from the new uniform can be worn with the existing jacket and tie. **Pupils will not be allowed to wear the new shirts with the old style jacket.**

Pupils are required to comply with the School Dress regulations. If guidelines are not adhered to Parents/Guardians will be notified and a replacement must be purchased, which may mean the new style skirts or trousers if pupils have outgrown their current ones.

Thank you for your continued support.

Yours sincerely

Mark Wellington  
Deputy Head (Senior Master)
