

## Senior Inter-House Hockey

The Senior girls' Inter-House hockey was another afternoon filled with lots of enthusiasm and energy. Each House entered at least one team into a two-group tournament. After the group stages the standings meant that Queen's B team, West and Stanhope were competing in the Plate competition as a round robin. Stanhope came out as Plate winners.

In the main competition, Nugent and Cheshire played out an exciting Semi-Final with Nugent advancing on to the Final. The other Semi-Final was Queen's A team against Lyttelton where Queen's took the victory to progress into the Final against a strong Nugent team.

The Final saw some nice hockey played from both teams but Nugent showed their depth and strength over the Queen's team. Nugent were the overall winners with a convincing 4-1 win.
