Dear Parents and Guardians

Examination Results

Format of Notification

A formal Stowe results document will be sent in hard copy to the pupil's home address and emailed as a PDF file to the Stoic on the day exam results are released.

A Level Results - 16 August

Public examination results will be posted by First Class mail to the main home address on Thursday 16 August. Stoics' results will be sent to their Stowe email addresses; Stoics can access their email accounts remotely via the link on the School website. For security reasons, we do not send these results to non Stowe email addresses. In addition, in compliance with data protection, we are unable to issue results to anyone other than the respective Stoic.

GCSE Results – 23 August

Public examination results will be posted by First Class mail to the main home address on Thursday 23 August. As with A Level results, Stoics' results will be sent to their Stowe email addresses; Stoics can access their email accounts remotely via the link on the School website. For security reasons, we do not send these results to non Stowe email addresses. In addition, in compliance with data protection, we are unable to issue results to anyone other than the respective Stoic.

Collection of Results

We no longer provide a collection service for results as the results sent by post are identical to those sent by email. Should Stoics/parents wish to come into School to see a member of staff in person, they should phone or email ahead to check availability and arrange a suitable appointment.

NB: All pupils will be issued with notes before the end of term advising them on the action to take when they receive their results, pertinent to their year group. **It is important that Stoics are in the country to deal with any queries in person.**

If you have any queries regarding any of the above, please do not hesitate to contact the Exams Office.

Kind regards
