

## STOWE SCHOOL

### EXAM RESULTS SUMMER 2019

#### Information for the Upper Sixth

Heads of Departments, Tutors, Housemasters/Housemistresses (or nominated deputies) and I will be available by phone and email from 09.00am on Thursday 15 August until 3.00pm on Friday 16 August to discuss any urgent questions arising from the A2 results.

The following services are available if your exam results don't meet your expectations:

**In urgent cases** - where a university place for 2019 entry is dependent upon your examination results, the following may be requested:

- Priority re-marks – deadline 22 August 2019

**In all other cases**

- Photocopy of scripts – with a view to ordering a standard re-mark – deadline 22 August 2019
- Standard re-marks – deadline 19 September 2019
- Return of original scripts – deadline 26 September 2019  
(Cannot be used for consideration of a re-mark - purely educational)

Due to the difficulties involved in requesting a script following a re-mark, the School policy is to request a copy of your script at the time of requesting a re-mark. If you do not wish to have a copy of your script, please state this on your form.

**In all cases your written consent is needed before the request can be sent. We will also require a parental signature to acknowledge payment of possible costs incurred. Finally, the relevant Head of Department must have been consulted.**

**\*ALWAYS REMEMBER\***  
**MARKS CAN GO DOWN AS WELL AS UP!**

A list of fees/costs etc. will be available from the School. Please remember that in signing up for any Post Results Services, you are liable for the fee relating to the service requested.

#### CERTIFICATES

Please note that the boards do not issue certificates until after the enquiries about results have been completed. They normally arrive at the School towards the end of November/beginning of December. They are then sorted and posted out by **registered mail** along with the GCSE and AS certificates.
