## Boarding House Tour

We are offering you the chance to visit three Boarding Houses. You will have approximately 25 minutes in each House and have the opportunity to speak with the Houseparents as you are going around. Each House is unique and has a variety of Stoics that are bright and passionate about all aspects of life at Stowe.

## Day House Tour

Those families looking for Day places in 2022 will have a tour of our new Day Houses.

For more information about our Boarding Houses please [click here](#).

## Activities

On the day, we are offering activities for children seeking admission in 2022 only. Siblings are welcome to attend the event but will need to remain with parents during the activity sessions. Please note that your child will be assigned to activities and should come dressed in warm clothing with comfortable shoes.

## Presentation by the Head

While the children are doing their activities, parents are invited to hear the Head's presentation where you will hear from Dr Anthony Wallersteiner about a Stowe education. After the presentation you will have the opportunity to go on a tour of the School with Stoics.

If you would like to join us for the Taster Day please fill in the form overleaf or [click here](#).
