

July 2019

Dear Parents and Guardians

Examination Results by Email

Public Examination Results will be posted by First Class mail to each Stoic's home address on Thursday 15 August (A2/AS) and Thursday 22 August (GCSE). Stoics' results will be sent to their Stowe email addresses early on these respective dates; Stoics can access their emails remotely via the link on the School website. Under the Data Protection legislation, results can only be released to Stoics and we are not authorised to send them to parents. In cases where your son/daughter will not have internet access on the day, please contact me directly for further instructions.

The results will appear in the format of a 'Stowe Provisional Statement of Results'. Stoics will be sent a hard copy and the email will have the same document attached as a PDF file. As the results statement emailed to Stoics is identical to that being posted, the School do not offer a results collection service.

The Careers and UCAS departments at Stowe have issued notes advising Stoics on the action to take when they receive their results. It is important that Upper Sixth Stoics are in the country on results day and for the following week to deal with any issues in person, particularly for appeals or re-marks where their signature is a legal requirement.

If you have any queries regarding any of the above, please do not hesitate to contact the Exams Office.

Kind regards

Liz Huxley Capurro
Academic Administration & Exams Manager
