

THE MYLES HENRY AWARD SUMMER 2019-2020

The Myles Henry Award is in the region of £2,200 and is applied for by groups of two or three Stoics in the Lower Sixth Form. The cost of the trip can be more, in which case you will need to raise the additional funds. The trip usually takes place in the summer holidays at the end of the Lower Sixth year.

To apply, please complete the *Full Application Form*, which is available on the HE and Careers section of the VLE, under 'Gap Year'. The form must be typewritten. The outline is to give this year's committee a real flavour of what you hope to achieve on your trip.

YOUR PLAN

This is the most important part of the application. We want to know why you have chosen your destination(s) and what you plan to do when you get there. The idea behind the award is to provide an opportunity for Stoics to:-

- experience a different culture and way of life
- attempt to give something back to the community in which you stay through voluntary work, thus promoting the name of Stowe.

The voluntary work may include community projects, such as working in orphanages, schools, local churches etc., or may include environmental conservation projects. All of these will carry equal weight when the judges view the applications and at the interview. However, if going through an organisation, it must be a non-profit establishment.

The plan should be written using 'Word'.

TRAVEL AND ACCOMMODATION

You will need to do some research into the costs of accommodation and travel for the region you hope to visit. (The more preparation you do now, the less you will have to do later.) These costs should be presented using Excel spreadsheets, which will form part of the *Full Application Form*.

The completed *Full Application Form* should be returned to Mr Righton by **Monday 18 February 2019**.
