Please read carefully the Scholarship and Bursaries booklet which describes the Scholarships available with our specific entry expectations for each award as we will only proceed with applications for Scholarships where the criteria are met.

It is recommended that you keep a copy of this Application Form and refer to it prior to the Entry Day to ensure the appropriate portfolio/musical instrument(s) is brought with you.

When we receive this completed form we will seek a report from the candidate's school, notifying them of the candidate's application for a Stowe Scholarship and asking for any information relevant to the Scholarship considerations.

Academic Scholarship

Please note, successful Academic Scholars would normally be expected to gain mostly A*s (or the points equivalent) in all their subjects at GCSE.

I wish my son/daughter to be considered for an Academic Scholarship.

Art Scholarship

Please note, candidates will be required to bring with them a portfolio of recent work for assessment. This should contain a broad selection of work in whichever field of Art has been studied. Two-dimensional work need not be mounted. Photographs or slides of three-dimensional work are preferred. Particular attention will be paid to good objective drawing.

I wish my son/daughter to be considered for an Art Scholarship.

Music Scholarship

Please note, as a guide we would expect a Music Scholar to be studying at the equivalent of Grade Seven or above on one instrument and be of a good standard on a second instrument or voice. We place great emphasis on a candidate's ability to be an active, enthusiastic and dedicated member of the Department. The Music School offers free consultation lessons for Scholarship candidates. Please contact ssearle@stowe.co.uk to arrange a consultation lesson. NB all other Scholarship application issues should be directed to the Admissions Office.

Candidates will have an audition on the Entry Day and should bring their instruments with them. Accompanying music must be provided in advance.
