When in uniform, girls may wear clear nail varnish only, and pupils below the Sixth Form must not wear make-up. Sixth Formers may only wear subtle make-up with School uniform.

Jewellery

For all pupils jewellery should be subtle and discrete. One necklace may be worn but it should be tucked in blouses/shirts. Chokers are not permitted. Bracelets should be thin and simple. Visible body piercing of any kind, except for a pair of earrings, is strictly forbidden at Stowe at all times. It is forbidden for ANY pupil to carry out piercing while they are at School. **Senior girls** should wear no more than one pair of earrings; they can be studs or small hoops or pendants (smaller than the wearer's thumb diameter) in earlobes. Unostentatious rings can be worn. Nail varnish should be clear or subtle tones; bright or dark nail varnishes are not permitted. Subtle make-up may be worn.

Lower School girls can wear one pair of stud earrings can be worn in earlobes. One unostentatious ring can be worn. Lower School girls should not wear make-up but may wear discreet concealer. Nail varnish should be clear or subtle tones; bright or dark nail varnishes are not permitted.

Hair

Hair should be of a natural colour, clean, tidy and brushed, should not be cut in an extreme manner. Lower School girls should tie their hair back. Whilst at School, Girls are expected to use the School or other professional hairdresser. They should not cut, dye or shave their own or each other's hair.

Formal Dress

Formal dress is the same as the daily School uniform. Formal dress will be worn for Sunday Chapel and other formal occasions as directed by the Headmaster.

Summer Uniform

Summer uniform may be worn in the Summer term when the Headmaster authorises it. It consists of normal School dress without a jacket or pullover.

Casual Dress

After lunch on Saturdays, unless otherwise directed, pupils may change into their own clothes for the weekend, and after supper on weekdays. Casual dress must be clean, reputable and in a good state of repair, and pupils may have clothing confiscated if it is not. A girl's midriff should not be bare. When in home clothes, all pupils have a responsibility to dress appropriately. Clothes with provocative or offensive logos, for example, must not be worn.

ALL GARMENTS MUST BE CLEARLY NAMED

School Name Tapes are automatically provided for new pupils. One set is sent to parents, one set is kept at School.

All items purchased from the School Shop can be named and delivered to your child's Boarding House for the start of term (*a charge applies*).

NOTES

Parents may visit the School Shop on any weekday during term time and also, by appointment, during the holidays. Due to the introduction of a new sports kit in September 2016, second-hand sports kit is limited. However, other uniform items may be available e.g. jackets, trousers and shirts, for the current Fourth and Fifth form only.

Laundry and Dry Cleaning

The School has its own laundry. It cannot, however, undertake any hand washing. Articles for dry cleaning are collected from Houses weekly by a contract cleaning company and prices are very reasonable. Girls' Houses do have their own small laundry areas for those wishing to wash their own items.

Marking

A girl's name and School Number should be clearly shown on every article of clothing with a woven name tape. These will be ordered by the School Shop with a personalised stamp for use on fabric, metal, wood and plastic and sent to your address. The woven name tapes should be stitched or machined in place: iron-on tapes are not acceptable as they do not stand up to laundering. A stamp is to be used on all sundry items e.g. shoes, swimming goggles, pencil case and pens. Parents should note that only items purchased from the School Shop during term time can be marked by House Matrons or by the School Shop. A good supply of tapes should be kept at home for marking during the holidays. Handkerchiefs must be marked with name as well as number.

Games Clothing

Large, half-inch name tapes must be used on the outside of the following garments, as indicated:

Track suit top	front left, horizontal
Track suit bottom	front left pocket, vertical
Games skorts	front left hem, horizontal
Games shirt	front left, horizontal
