Please read carefully the 'Sixth Form Entry 2020' booklet which describes the Scholarships available with our specific entry expectations for each award as we will only proceed with applications for Scholarships where the criteria are met. When we receive this completed form we will write to your child's school for a confidential reference and notify them of the Scholarship application and request any information relevant to the Scholarship considerations.

It is recommended that you keep a copy of this Application Form and refer to it prior to the Entry Day to ensure the appropriate musical instrument(s) are brought with you, or a portfolio is provided in advance.

### Academic Scholarship

**Please note**, successful Academic Scholars would normally be expected to gain mostly 8s in all their subjects at GCSE/IGCSE.

### Drama Scholarship

Drama Scholars are expected to be taking the subject at GCSE/A Level and to audition for all co-curricular School productions at Stowe. Academically, Drama Scholars are expected to show devotion and enthusiasm, maintaining high standards of academic achievement throughout the GCSE/A Level course, with the expected outcome of a Grade 9/8. In Stowe School Productions, Scholars are expected to show commitment to the development of skill and dedication to the process of making theatre, setting an example both on stage and in the rehearsal room and acting as ambassadors across the broader School body and as a representative of the School at public performances. The committed pupil will attend NT Live events at Stowe's Roxburgh Hall Theatre.

Candidates are required to submit a portfolio of achievements in Drama one week prior to the scholarship day. Creativity and imagination should be shown in the presentation of the portfolio, and the inclusion of relevant certificates and photographs is also welcome. At the Entry Day the candidate will perform an audition piece from memory of between 2-4 minutes, from a recognised published play. Candidates should be prepared to receive feedback on their monologues and to perform sections again, responding to direction. Candidates will participate in a workshop where they will be expected to work collaboratively on a range of practical drama activities (no prior preparation is necessary). There will also be an interview with the Director of Drama.

I wish my son/daughter to be considered for a Drama Scholarship.

The Music School offers free consultation lessons for Scholarship candidates prior to the Entry Day.
