

April 2019

Dear Parents and Guardians

The Governing Body has considered the fees for the coming year, in the context of the current uncertain financial and regulatory climate. Investment in teaching, pupil accommodation and other facilities continues. Wage inflation, National Living Wage increases and pension costs, particularly for teachers, but also under auto-enrolment, have led to substantially increased costs. We have decided not to pass on a proportion of these costs and continue to manage our resources carefully in order to keep fee increases at a modest level.

I am writing to advise that the Governors have agreed the following fees to take effect from the Autumn term 2019:

Boarding: £12,697 per term (£38,091 per annum)

Day in Boarding: £9,128 per term (£27,384 per annum)

Thank you for your continuing support and I look forward to seeing you all on Speech Day.

With kind regards

Yours sincerely

Simon Creedy Smith
