

Exam Revision / Study Leave Programme Summer 2019

Before Study Leave, teaching staff are always available at clinics and at other times by appointment. Once the exams begin, and if not invigilating, staff are available in lesson times to all pupils. We believe very strongly that Stoics benefit from final instruction, support and revision in School, and so permission to go home between exams will only be considered after Half Term in consultation with the Housemaster or Housemistress.

Morning exams start at 8.45am and afternoon exams at 1.15pm. Stoics must be prompt and correctly equipped. Stoics with written afternoon exams falling before or after Study Leave may revise in House in the morning. Those with written morning exams may revise in House the day before the exam, but are expected to return to class after their exam is completed and for afternoon classes. Attendance at activities during Study Leave will be optional but is encouraged to maintain a healthy balance of academic work and physical activity.
