

HRH The Prince of Wales -1969

This fine portrait bust was created to commemorate the Investiture of HRH Prince Charles as The Prince of Wales at Caernarfon Castle in July 1969. He wears the coronet which was designed and created especially for the occasion by Louis Osman. Two other versions are at The Guildhall in London and Rothesay Castle, Isle of Bute in Scotland. We are honoured to display the bust as Prince Charles unveiled a plaque in the North Hall to commemorate the restoration of Stowe House in May 2001.
